

Tarnfield Running Co. Returns and Exchanges Policy

Last updated 11 September 2026. This policy applies to orders placed on our online store. It does not affect your statutory rights.

1. Key terms at a glance

Item	Our policy
Time to ask for a return	14 days from the day your order is delivered.
Time to send it back	A further 14 days after you tell us.
Condition	Shoes must be unworn. Trying them on indoors on carpet is fine. No outdoor wear, no marks on the soles, no creases.
Packaging	Keep the original box in good shape. A ripped, written on or missing box can mean we cannot accept the return.
Proof of purchase	Keep your order confirmation or email receipt and quote your order number.
Not returnable	Shoes worn outside, items with a missing or badly damaged box, anything marked "final sale" at checkout, and returns sent after the window. If you are running late, contact us anyway. We may be able to help, but we cannot promise.
Return postage	You pay, unless we sent the wrong item or it is faulty. We recommend a tracked service.
Refund timing	Usually 5 to 10 working days to reach your account after we approve the return. If nothing arrives after two weeks, email us.
Delivery charges	Not refunded if you change your mind. Refunded if the mistake was ours.
Discount codes	We refund what you actually paid, not the full price.
Contact	support@tarnfield.example. We usually reply within 24 to 48 hours, a little slower at weekends.

2. How to return an item

Step	What to do
1	Email support@tarnfield.example with your order number and the items you want to return. Please do not send anything back before you email us, as parcels that arrive without notice can take a long time to match to an order.
2	We reply within a day or two with the returns address and instructions. We may ask for photos.
3	Pack the shoes in the original box, protected so they do not move around, inside an outer bag or box.
4	Post the parcel at your own cost, ideally with a tracked service.
5	Once we receive and check the items, we approve your refund and pay it back to your original payment method.

3. Exchanges for a different size or colour

Email us with what you would like instead and we will check stock. If it is available, send the first pair back under the same rules (unworn, box in good shape). We ship the new pair once the first pair arrives. You do not pay for the new pair, but you do pay to post the first pair back. If the item you want is out of stock, we refund you instead. If you are in a hurry, it is often quicker to return for a refund and place a new order.

4. Wrong, faulty or damaged items

This covers the wrong size, the wrong colour, a mark or fault on the shoes, or a badly crushed box. Email us straight away, with photos if you can. We will send you a free returns label. Once we get the item back, you can choose a correct replacement or a full refund. If the right size is out of stock, we will refund you.

5. Other points

Outside UK mainland (Northern Ireland, Scottish Highlands, islands). The same 14 day window to tell us applies, but post may take longer to reach us.

Gifts. Email us with the original order number if you have it. We can offer an exchange or a gift card. Refunds normally go back to the original payment method.

Not sure? If you have a question about sizing, fit or whether something can be returned, ask us before you buy.

6. Contact us

Email support@tarnfield.example and include your order number if you have one.
